

Successful Hybrid Working

Many companies adopted a hybrid working model as they returned to the office post pandemic. Ideally this way of working provides the best of both worlds. If successful, people can enjoy the flexibility of working from home while collaborating with colleagues on their days in the office.

But it is not that simple. Many companies have struggled to find the best approach to hybrid working and individuals find it hard to plan their time between the two locations.

Training Options

We deliver Hybrid Working training to help teams optimise their time and productivity while achieving a good work-life balance. This training can be delivered online or in-house.

- 1-hour Talk - Top Tips for Successful Hybrid Working
- 0.5 Day Team Workshop – How Teams can be Productive in a Hybrid Model

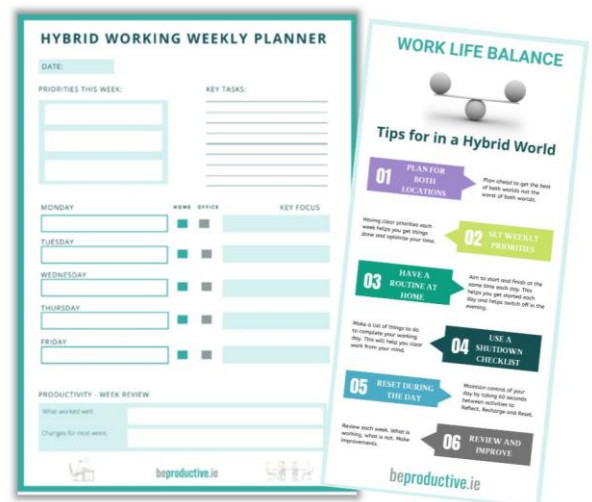

The duration and content of your training session can be customised once we discuss your requirements, your team and your culture in a short online meeting.

Resources

At all training we share resources to help teams implement their learning. This includes a range of productivity tools such as the Hybrid Working Weekly Planner, Team Planning templates and Tips cards.

Presenter

This webinar is delivered by Productivity & Wellbeing Consultant Moira Dunne.

Clients

Some Client Feedback

• *Moira learning session was absolutely outstanding and has continued to give value week on week since her visit. The team loved all those snippets of wisdom that she gave us".*

Jamie White,
Leading Social

• *I was really focussed when I got back to the office after the "How To Turn Busy into Productive" course. I cannot tell you the difference the training has made. It's like night and day.*

Karen Devine,
WhiteLight
Consulting

• *I really enjoyed the content – some very simple and do-able tips that could be readily implemented.*

Jennifer Horan, AIG
Insurance

• *We all found the training very helpful, particularly the Email suggestions. It has inspired our team to be more organised. We meet more regularly to discuss our weekly goals etc.*

Adam Price, ORS
Engineering

• *Moira is able to put herself in the shoes of the SME Owner Managers and their industry. She offered practical solutions that are easy to implement to increase productivity. Moira is very personable and easy to work with. I would highly recommend her.*

Marion Walshe,
Plato Business
Devel Programme

• *Having attended Moira's training I was struck by her wise words. We quickly realised we were getting a whole lot more from our days and crucially our most important tasks never got left behind.*

Nick Lawlor, New
Beginnings
Financial Services

• *What we liked about Moira's offering was her understanding of approaches that would work best for our team. Moira's follow up and feedback exceeded any level of post-training supports we have ever gotten from an independent training company.*

Cora Barnes, 3Q
Recruitment

• *Moira's webinar during Covid-19 was great. Simple, short, focused, some good tips & well communicated. Thankfully no suggestions of group hugs and closing your eyes and thinking of waterfalls etc".*

Michael Gilmartin,
Head of Role
Skillnet
